

Episcopal Relief and Development Report to 2014 Convention

The Rev. Janet Nocher

October 21, 2014

There were no reported Episcopal Relief and Development parish or diocesan fund raising activities in 2013, other than Alternative Giving programs in Advent.

Congregations continue to contribute monetarily to Episcopal Relief and Development per line items in their budgets and from the designated offering collected on the 1st Sunday in Lent. The offering at the 2013 Diocesan Convention Eucharist was also designated for Episcopal Relief and Development.

If any parishes or congregations have any information to report, please contact your parish representative.
